Leading Lawyers

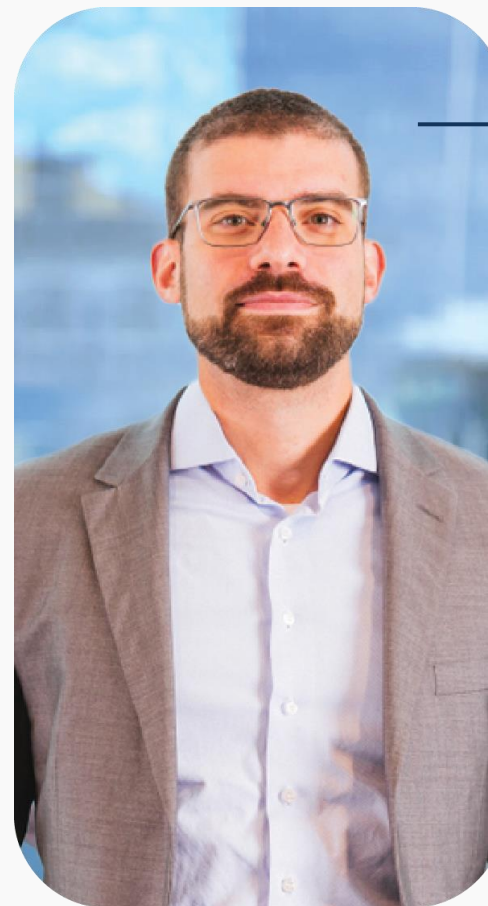

Beatriz Lindoso

bml@mundie.com.br

Beatriz is a leading lawyer in TMT area, with over 15 years of experience, especially in the regulated telecommunications sector, having worked with mobile, broadband, and satellite segments. Her practice especially covers bidding for radiofrequencies, obtaining licenses to provide telecommunications services, obtaining landing rights for satellite operations, monitoring recurring regulatory obligations, assisting companies to obtain prior approval from regulatory authorities for corporate restructuring, data privacy, regulated contracts, among other matters of a regulatory nature.

Partner

Cesar Carvalho

crc@mundie.com.br

With more than 15 years of experience at Mundie e Advogados, Cesar stands out in the areas of Technology and Digital Business, in addition to having a solid experience in M&A and corporate law. His practice especially covers electronic means of payment, fintechs, privacy and innovation, as well as investment funds and private equity. In his professional career, he has worked in several investment transactions, strategic partnerships and operational agreements, mainly with companies in the areas of technology, telecommunications and means of payment.

Partner

Team

Camila Strafacci Tostes

cst@mundie.com.br

Law Degree from Centro Universitário Euro-Americano

Camila is an expert in litigation with experience in judicial and administrative proceedings, particularly before the Supreme Courts, Federal Justice and regulatory authorities. She stands out in defending the interests of companies operating in the regulated telecommunications sector and in the technology area.

Litigation. Judicial and administrative procedures.

Kamila Ribeiro de Lima

krl@mundie.com.br

Law degree from Universidade Presbiteriana Mackenzie

Kamila has experience in legal consulting, advising clients on regulatory matters, particularly in the telecommunications and corporate areas. She stands out in highly complex M&A transactions, including prior approval procedures from regulatory authorities, providing support to national and foreign clients.

Telecommunications and technology consultant. Corporate Transactions.

Matheus Facio Pires

mfp@mundie.com.br

Law degree from Universidade de São Paulo

Matheus works in the areas of technology, digital business and M&A, advising clients with regard to matters related to means of payment, telecommunications and fintechs, among others. He stands out in the advisory practice, including the drafting of privacy and compliance policies, as well as in the negotiation and implementation of corporate transactions and strategic partnerships involving technology and innovation.

Technology and Digital Business. Corporate Transactions.
